September 2021

## Logan Raisanen

Logan was born and raised in the huge town of Kingston Minnesota before moving to Battle Ground in 2010 to finished being raised. Logan and his wife Stefani have 2 children, Louie who is 2 and Nina who is 7 months and another on the way. His wife is a stay at home mom who enjoys sewing kids clothes, vacationing and spending time with family and friends. His son Louie likes riding his bike, doing silly things to make Nina laugh, playing catch & other things that kids do. Nina just chews on things right now.

Logan started his work career framing for his uncle then went to Arrow Timber framing before coming to JRT where he now works as an HVAC foreman. When asked about a typical day at work, he said “wake up, splash some coffee in the eyeballs and it’s all uphill from there or so.” He is currently working out at AC Marriott with HVAC crew Ryan, Hellton, Hector, Sean, Kendall & Jacob our plumbing foreman has some human out there to.

Logan said the best part of his job is that JRT has a great work atmosphere with lots of guys willing to do what it takes to get the job done. One funny work story he related... “I was working out at Amazon Piper on the roof installing curb with Sam M

and a few others. We were on our way over to the stairs & there was a small lake to walk around, was going to bet Sam to jump into it but halfway through Sam swan dove into the pond!” Logan said his top work related goal for the near future is “Make it though the week”

When not at work Logan enjoys vacations, woodworking, outdoor sports & activities, frisbee golf, pickle ball & spike ball.

Logan said the thing that may surprise us about him is that he’s jumped out of 2 perfectly good airplanes! He didn’t have much more to add but that one day he’d like to buy a small house with a big shop.

# Employee of the Month

## Darrell Zutter

Recently I had Darrell on a project to demo ducting in a school gym. Once on site it was brought to my attention that Darrell is a pipe fitter not a tinner. With the direction from Matt Mitchell the two got the job done with no complaints. Thanks Darrell for stepping up for the team! Darrell is an asset to the JRT and I would be happy to have him on site anytime! -

Mark Stover

Darrell is an excellent worker and he knows how to think, he will do whatever it is necessary to get the job done!

Thumbs up on hiring him! -

Dave Charlson

Congratulations to Paul & Amanda Charlson on your new baby boy Wiley David!

**Compassion First Vet Clinic crew completed their project with zero incidents!! Way to go guys!!**

David Christensen is the newest member to the JRT Safety Committee, he will be representing the east side!

Woohoo David!!

JRT office will be closed September 6th in observance of Labor Day!

Anika has more of the face gaiter type masks on order. Please contact her if you need any for your jobsite!

# PRODUCTIVITY TIP FOR SEPTEMBER

Instead of sending a guy to the supply house, Courier Direct can pick stuff up and deliver it to your job. From Vancouver to Hillsboro it cost \$44 and it will be at your job within 90 minutes max, or 3 hour max for \$36 (JRT is set up with them and it is a great service)

Thanks Curt Muonio

Send in any of your ideas that we can share to increase productivity to Ron Bergmann 360-903-2742 or ronb@jrtmechanical.com

If your idea is used in a future newsletter you will receive \$50.00 in cash

Last months winner  
Drew Lobbestael

## September Work Anniversary's
