Drew Johnson

I'm happiest when: *I'm somewhere with my family.*

I want to: *Get out of our 5th wheel and into our house so we can relax on our back porch.*

My first job was: *Bucking hay for an old time farmer.*

Two of my pet peeves are: *Slackers and a destroyed toilet.*

My family consists of: *My wife and two sons Tait who is 7 and Cade who is newborn.*

My friends/family describe me as: *Pretty laid back.*

If I had a warning label, it would say: *Don't keep pushing, you don't want to see me snap!*

My hobbies are: *Pretty much any sport I can get into and just being outside just about anywhere on a nice day.*

My favorite thing about work is: *The people. Everyone here is awesome! I went from being a young boy at the age of 18 to a young man real quick with David as my boss! I learned everything from that guy & then some. Great life lessons he taught me. I also get to work with some extremely smart & hardworking people in the finance department everyday. They make everyday fun to come to work!*

If I could master one skill it would be: *To stay focused for a long period of time.*

My favorite age growing up was: *20 because I lived with an awesome group of guys and we had some good times & memories in that Couv house.*

If I could eat one thing everyday it would be: *Philly Bilmos*

A few things on my bucket list are: *Get my house done and sit on the porch swing with our baby and wife and just swing away.*

The sport I like best is: *Basketball*

I work as a: *Finance Manager.*

If I could visit anywhere in the world I would go: *Somewhere warm, maybe the Bahamas.*

My idea of a perfect day off work is: *Either fishing or going somewhere warm.*

Estaban Garcia

Estaban is a great worker with an awesome attitude, energy and production! I've had several people go out of their way to tell me that they enjoy working with him. He is a great team player.

- Cedar Lunstrum

Estaban always shows up happy and ready to go with a get it done attitude!

Drew Lobbestael found a very helpful tool for making connections on mini splits. It temporarily supports the unit, while allowing you to pull it away from the wall to work. Thanks Drew!

HEALTH NEWS

Mail Order Pharmacy

Have you tried using the CVS mail order delivery for your medications? This will save you money!

Vision

Did you know that you can use your vision benefits at some Costco, Walmart and Sam's club? The frame allowance at these locations is \$80 which is equivalent to a \$150 allowance at other VSP doctor locations. Not all Doctors at these locations are in-network for exam services so you will want to check that ahead of time.

Mommy Trax

HMA has a maternity program that is free to you if you are covered on the plan. See attachment in email on how to join!

Healthcare Blue Book (HCBB)

If you tried to use HCBB and found it confusing now we have access to CareConnect! This is in addition to using the bluebook app and doing the search on your own. CareConnect is a concierge service to help you find the low cost provider or facility.
