## Q&A with William Uskoski

**Question:** Will you tell us a bit of your personal history?

**Answer:** I was Born on Dec 5th 1998. There are 8 siblings in my family 5 boys and 3 girls. I've lived in Clark County my whole life besides 2 years in Moorcroft Wyoming when I was 14 & 15. I married my wife Emily in 2020 and we have 1 daughter Fiona.

**Question:** What about your work history?

**Answer:** I worked at Hendrickson HVAC for 2 years during high school, then I came to try commercial HVAC at JRT, then I realized plumbing was better so decided to switch to that.

**Question:** What is a typical work day for you?

**Answer:** Right now at Basie we get to the job do some stretch and flex, work on the tiny grounder and have lunch go home then repeat.

**Question:** Do you have any funny work stories?

**Answer:** A funny work story I've got is something that happened at Shari's one day with Shane and Christian you'll have to ask Shane about it.

**Question:** What is the best part of your job?

**Answer:** Best part of my job is the guys I get to work with and the opportunity to do many different things.

**Question:** What is your one work related goal for this year?

**Answer:** I hope to be finished with plumbing school by the time summer starts and then try to pass my WA & OR test.

**Question:** Will you tell us a bit about your family?

**Answer:** I am happy to be married to the best wife and to have a cute little girl also.. they keep me in line:)

**Question:** What would surprise us the most about you?

**Answer:** It would pry surprise you that I can own Jacob Allen at basketball actually never mind that's no surprise at all...

**Question:** What are a few things on your bucket list?

**Answer:** I Don't have a true bucket list but I would like to go moose/bear hunting in Alaska someday.

**Question:** What are some of your hobbies/interests?

**Answer:** I enjoy fishing, hunting, basketball (any sports) and really anything outdoors.

**Question:** How would your friends/family describe you?

**Answer:** My family would describe me as easy going, caring well and having a HUGE space bubble.

**Question:** Your favorite way to spend a weekend is?

**Answer:** My favorite way to spend a weekend is doing something outside with my wife and daughter.

**Question:** What phone app do you use the most?

**Answer:** The phone app I use the most is the weather app because I'm always curious how much rain I get to work in the next day with Eric.

## REMINDERS:

OUR NEW PAY DAY IS ON  
FRIDAY OF EACH WEEK!

We want to hear from you! Email Anika if you want to nominate one of your co-workers for employee of the month.

**Open enrollment for the JRT Insurance Benefit Plan is March 1st-10th.**

This is your annual opportunity to review your benefits options, learn about the changes in coverage and cost, and make your benefits elections for the new plan year, which starts on April 1st, 2022. You'll be happy to hear that we are keeping the same insurance administrator (HMA). Therefore the network is not changing so all of your doctors can remain the same. The Dental and Vision Plans will also remain the same in the new plan year.

## Productivity tip for February

Lucas Tapani came up with the idea to use 20 gallon totes to spread misc. plumbing trim on apartments. Everything can be unpackaged and filled with all small parts to complete trim per unit. This keeps from packing trash up & down and minimizes the trips to each unit, while making sure all parts are there before starting. This tip can help with most trades and throughout all phases of construction.

Trash eliminated before even entering the building
