What is Healthcare Bluebook?

Healthcare Bluebook™ has been selected by your employer as an added benefit so you can shop for care, compare facilities, save money on your medical services.

Did you know that in-network prices for the same procedure can vary by over 500% depending on the facility you choose?

Bluebook's web and mobile application make it easy to save money on hundreds of common medical services and procedures by showing you the cost ranges in your area and providing you with a selection of **Fair Price™** (green) facilities.

What is the "FAIR PRICE?"

The **Fair Price™** is the amount you should reasonably expect to pay for a service or procedure and are based on the actual amount paid on the claim, not the billed amount, reflecting the discounts that the health plan has negotiated with the facility.

Here's an example of dramatic price differences between one facility and another. Plus, you can earn rewards on select procedures by using **Fair Price™** (green) facilities.

How do I earn Go Green to Get Green Rewards?

How will I receive my reward? How long does it take?
