GETTING STARTED

2025 BENEFITS April 1, 2025 through March 31, 2026

MEDICARE PART D NOTICE
If you (and/or your dependents) have Medicare or will become eligible for Medicare in the next 12 months, a federal law gives you more choices about your prescription drug coverage. Please see the *Important Notices* section for more details.

Whether you're enrolling in benefits for the first time, nearing retirement, or somewhere in between, JRT Mechanical Inc. supports you with benefit programs and resources to help you thrive today and prepare for tomorrow.

This guide provides an overview of your healthcare coverage, life, disability, retirement benefits, and more.

You'll find tips to help you understand your medical coverage, save time and money on healthcare, reduce taxes, and balance your work and home life. Review the coverage and tools available to you to make the most of your benefits package.

WHO'S ELIGIBLE FOR BENEFITS?

Employees

You are eligible if you are a full-time employee working 30 or more hours per week.

Employees with variable hours and seasonal schedules may be considered eligible for benefits. Refer to “Determining Eligibility” later in this guide for details.

Eligible dependents

- Legally married spouse or same or opposite gender domestic partner
- Natural, adopted or stepchildren up to age 26. Including children of domestic partners
- Children over age 26 who are disabled and depend on you for support
- Children named in a Qualified Medical Child Support Order (QMCSO)

For additional information, please refer to the benefit booklets for each benefit

When you can enroll

You can enroll in benefits as a new hire or during the annual open enrollment period. New hire coverage begins on the first of the month following 30 days as long as you enroll within 30 days of becoming eligible.

If you miss the enrollment deadline, you'll need to wait until the next open enrollment (the one time each year that you can make changes to your benefits for any reason).

CHANGING YOUR BENEFITS

Click to play video

LIFE HAPPENS

A change in your life may allow you to update your benefit choices. Watch the video for a quick take on your options.

Outside of open enrollment, you may be able to enroll or make changes to your benefit elections if you have a big change in your life, including:

- Change in legal marital status
- Change in number of dependents or dependent eligibility status
- Change in employment status that affects eligibility for you, your spouse, or dependent child(ren)
- Change in residence that affects access to network providers
- Change in your health coverage or your spouse's coverage due to your spouse's employment
- Change in an individual's eligibility for Medicare or Medicaid
- Court order requiring coverage for your child
- "Special enrollment event" under the Health Insurance Portability and Accountability Act (HIPAA), including a new dependent by marriage, birth or adoption, or loss of coverage under another health insurance plan
- Event allowed under the Children's Health Insurance Program (CHIP) Reauthorization Act (you have 60 days to request enrollment due to events allowed under CHIP).

You must submit your change within 31 days after the event.

ENROLLING FOR BENEFITS

DO I NEED TO ENROLL?

We are having a passive Open Enrollment this year, meaning if you do not take action, your current elections will roll over to the 2025-2026 plan year.

Employee Navigator

Employee Navigator is an online system that enables you to make all your benefit decisions in one place. You can access it through the web. If you need help enrolling, you can schedule a phone call with a Colonial Life Agent who will guide you through the process step by step.

Before you enroll

- Know the date of birth, social security number, and address for each dependent you will cover
- Review your enrollment materials to understand your benefit options and costs for the coming year

Getting started

- To enroll in your benefits, check your email for a message from Employee Navigator and access your personal link
- Click the registration link and enter your personal identifying data and company identifier: **JRTmec**.
- When accessing the site in the future or if you are already registered, go to the Login Page at **employeenavigator.com/benefits/Account/Login** and enter your "Username" and "Password"
- For more information on how to enroll, visit **<https://vimeo.com/291726496>**

Get help from a Benefit Advocate

Are you getting married and not sure how and when to add your new spouse to your plan? Is your stepchild eligible for your healthcare plan? Do you need help understanding the difference between an HSA and an FSA? A Benefit Advocate can help answer these questions and more.

Benefit Advocates are trained benefits expert who can help you understand and use your healthcare and other coverage. Contact your Benefit Advocate for issues such as:

- General benefit questions
- Eligibility and coverage
- Finding a network provider
- Health care claim or billing issues, when warranted
- Coverage changes due to life events (marriage, new child, divorce, etc.)

Claims assistance

If you need claims assistance, you'll need to complete a HIPAA Authorization Form to grant your Benefit Advocate permission to work with your insurer and/or healthcare provider(s) to resolve your claims issues. Permission is granted on a limited time basis to only the individuals listed on the form. The form is revocable at any time. Your Benefit Advocate will provide the form to you when needed.

WHICH PLAN IS RIGHT FOR YOU?

Consider a PPO (Preferred Provider Organization) if:

- You want to be able to see any provider, even a specialist, without a referral
- You are willing to pay more to see out-of-network providers.

Plans To Consider

- Tier 3 PPO Buy Up
- Tier 2 PPO Base

Consider a High Deductible Health Plan (HDHP) if:

- You want to be able to see any provider, even a specialist, without a referral
- You are willing to pay more to see out-of-network providers
- You want tax-free savings on your healthcare costs
- You want to build a savings account for future healthcare costs for you and your eligible family members
- You want an extra way to add to your retirement savings

Which plan is right for you?

That depends on your healthcare needs, favorite doctors, and budget. Here are some considerations.

Do you prefer specific doctors or hospitals?

If you want to stay with your favorite doctors and facilities, check whether they are in the plan's network. If they are not, but you are comfortable paying a bit more to see them, consider a plan with both in-network and out-of-network benefits.

What are your usual healthcare needs?

Do you have frequent doctor or urgent care visits? Do you have a condition that requires a specialist? Do you take prescription medications? Compare how each plan covers the services you need most often.

Consider the bottom line

How much is the monthly payroll deduction? Do you have to meet a deductible? What is the out-of-pocket maximum? How much of the cost is covered by the plan? How much are any copayments for office visits, prescriptions, etc. All these factors together affect your total cost for healthcare.

HEALTH SAVINGS ACCOUNT (HSA)

A personal savings account for healthcare
A Health Savings Account (HSA) is an easy way to pay for healthcare expenses that you have today and save for expenses you may have in the future.

How the HealthEquity HSA works

- **NEW!** To help you get started JRT Mechanical will match dollar to dollar the contribution you make to your HSA up to:

Employee Only: Match up to \$300

Employee + 1: Match up to \$600

- Your HSA account is set up automatically after you enroll.
- You can also contribute up to the limit set by the IRS (includes JRT Mechanical contribution).

Employee Only: \$4,300 per year 2025

Employee + 1: \$8,550 per year 2025

Are you age 55+? You can contribute an additional \$1,000 per year

- You can use your HSA debit card to pay for eligible expenses like office visits, lab tests, prescriptions, dental and vision care, and even some drugstore items.

Four reasons to love an HSA

1. **Tax-free.** No federal tax on contributions, or state tax in most states. Withdrawals are also tax-free as long as they're for eligible healthcare expenses.
2. **No “use it or lose it.”** Your balance rolls over from year to year. You own the account and can continue to use it even if you change medical plans or leave the company.
3. **Use it now or later.** Use your HSA for healthcare expenses you have today or save it to use in the future.
4. **Boosts retirement savings.** After you retire, you can use your HSA for healthcare expenses tax-free, or for regular living expenses, taxable but no penalties.

ARE YOU ELIGIBLE?

The HSA is not for everyone. You're eligible only if you are:

1. Enrolled in the HMA HDHP PLAN.
2. Not enrolled in other non-HDHP medical coverage, including Medicare, Medicaid, or Tricare.
3. Not a tax dependent.
4. Not enrolled in a healthcare Flexible Spending Account (FSA), unless it's a "limited purpose" FSA for dental and vision expenses.

Why sign up for Dental coverage?

It's important to go to the dentist regularly. Brushing and flossing are great, but regular exams catch dental issues early before they become more expensive and difficult to treat.

That's where dental insurance comes in. Dental insurance makes it easier and less expensive to get the care you need to maintain good oral health.

Dental insurance covers three types of treatments:

- **Preventive** care includes exams, cleanings and x-rays
- **Basic** care focuses on repair and restoration with services such as fillings, root canals, and gum disease treatment
- **Major** care goes further than basic and includes bridges, crowns and dentures
- **Orthodontia** treatment to properly align teeth within the mouth

WILLAMETTE BASE DMO

Willamette Dental Group - requires that you use a Willamette dental provider at one of their clinics. There is no dental coverage anywhere outside of a Willamette clinic. To locate a clinic, you can call 1.855.4DENTAL or go online to willamettedental.com then click on "Locations" and search by Zip Code. When you visit a Willamette clinic your services are covered in full after the copay

VISION

OUR PLANS

- PRINCIPAL VISION PLAN

Why sign up for Vision coverage?

Vision coverage helps with the cost of eyeglasses or contacts. But even if you don't need vision correction, an annual eye exam checks the health of your eyes and can even detect more serious health issues such as diabetes, high blood pressure, high cholesterol, and thyroid disease.

EMPLOYEE CONTRIBUTIONS (Weekly)

The total amount that you pay for your benefits coverage depends on the plans you choose, how many dependents you cover, and for medical coverage, how much you earn. Your healthcare costs are deducted from your pay on a pre-tax basis — before federal, state, and social security taxes are calculated — so you pay less in taxes.

Domestic Partner (DP) Contributions: Your contributions to cover a Registered Domestic Partner (RDP) are the same as those to cover a legal spouse. However, because of Internal Revenue Code (IRC) restrictions, in most cases, the fair market value of your DP's or DP's children's (if they are not federal tax dependents) healthcare coverage will be taxable to you as imputed income. This value is determined by the amount that The Company pays in premium for DP coverage. This amount raises your taxable gross income. Also, the pay roll deductions to cover an DP must be taken on an after-tax basis. Supplemental Life/AD&D Deductions for supplemental Life/AD&D are taken from your paycheck after taxes. Rates are available during enrollment.

MEDICAL WAIVER STIPEND

JRT Mechanical offers an after-tax cash payment to those employees who otherwise qualify for coverage under the JRT Mechanical Health & Welfare Plan but choose to opt-out of the JRT Mechanical Medical Plan due to being enrolled in other Minimum Essential Coverage (MEC), as defined by the Affordable Care Act ('ACA'), for the remainder of the plan year and who will be enrolled in such coverage throughout the 2025 plan year. I understand that the MEC that I, my spouse and/or children have does not include coverage obtained from the individual market or through the State Marketplace (Exchange) or Federal Marketplace. By opting-out of the JRT Mechanical Medical Plan in this manner, you are electing to participate in the JRT Mechanical Section 125 Cafeteria Plan; however, your cash payments (the specifics of which are detailed in (JRT Mechanical Cafeteria Plan Document) under the opt-out program will be paid to you in after-tax dollars. The cash offer will be paid to those employees who qualify on April 1, 2025, as long as the employee is still an active employee and has provided the necessary proof to HR within the requisite time periods, as listed below.

Note that if you lose MEC coverage, you must contact the HR Department, as you will no longer qualify to receive an opt-out incentive. You will have the right to enroll in our plan mid-year if you lose the other MEC coverage as long as you notify us within 31 days of the loss of coverage.

ANNUAL STIPEND*	
EMPLOYEE	\$500
SPOUSE	\$500
CHILDREN	\$500
EMPLOYEE + SPOUSE	\$1,000
EMPLOYEE, SPOUSE, CHILDREN	\$1,500

**Amounts will be pro-rated per month based on eligibility in the JRT Mechanical medical plan.*

KNOW WHERE TO GO

Where you get medical care can have a significant impact on the cost. Here's a quick guide to help you know where to go, based on your condition, budget, and time.

Type	Appropriate for	Examples	Access	Cost
Nurseline 	Quick answers from a trained nurse	- Identifying symptoms - Decide if immediate care is needed - Home treatment options and advice	24/7	\$0
Online visit 	Many non-emergency health conditions	- Cold, flu, allergies - Headache, migraine - Skin conditions, rashes - Minor injuries - Mental health concerns	24/7	\$
Office visit 	Routine medical care and overall health management	- Preventive care - Illnesses, injuries - Managing existing conditions	Office Hours	\$\$
Urgent care, walk-in clinic 	Non-life-threatening conditions requiring prompt attention	- Stitches - Sprains - Animal bites - Ear-nose-throat infections	Office Hours, or up to 24/7	\$\$\$
Emergency room 	Life-threatening conditions requiring immediate medical expertise	- Suspected heart attack or stroke - Major bone breaks - Excessive bleeding - Severe pain - Difficulty breathing	24/7	\$\$\$\$\$

PREVENTIVE CARE SCREENING BENEFITS

TYPICAL SCREENINGS FOR ADULTS

- Blood pressure
- Cholesterol
- Diabetes
- Colorectal cancer screening
- Depression
- Mammograms
- OB/GYN screenings
- Prostate cancer screening
- Testicular exam

You take your car in for maintenance. Why not do the same for yourself?

Annual preventive checkups can help you and your doctor identify your baseline level of health and detect issues before they become serious.

What is Preventive Care?

The Affordable Care Act (ACA) requires health insurers to cover a set of preventive services at no cost to you, even if you haven't met your yearly deductible. The preventive care services you'll need to stay healthy vary by age, sex, and medical history.

Visit [cdc.gov/prevention](https://www.cdc.gov/prevention) for recommended guidelines.

Preventive care is covered in full only when obtained from an IN-NETWORK provider.

Not all exams and tests are considered preventive

Exams performed by specialists are generally not considered preventive and may not be covered at 100 percent.

Additionally, certain screenings may be considered diagnostic, not preventive, based on your current medical condition. You may be responsible for paying all or a share of the cost for those services.

If you have a question about whether a service will be covered as preventive care, contact your medical plan.

**

JRT offers an annual incentive of \$150 to all eligible employees that get their wellness physical based on age and gender between April 1, 2025, and March 31, 2026. This incentive will be paid to you on your next check after April 1, 2026, if you enter the date and location of your physical when you enroll in Employee Navigator in March 2026.

PRESCRIPTIONS BREAKING YOUR BUDGET?

THE FORMULARY DRUG TIERS DETERMINE YOUR COST

\$	Generic Drug
\$\$	Brand Name Drug
\$\$\$	Specialty Drug

Understanding the formulary can save you money

If your doctor prescribes medicine, especially for an ongoing condition, don't forget to check your health plan's drug formulary. It's a powerful tool that can help you make informed decisions about your medication options and identify the lowest cost selection.

What is a formulary?

A drug formulary is a list of prescription drugs covered by your medical plan. Most prescription drug formularies separate the medications they cover into four or five drug categories, or "tiers." These groupings range from least expensive to most expensive cost to you. "Preferred" drugs generally cost you less than "non-preferred" drugs.

Get the most from your coverage

To get the most out of your prescription drug coverage, note where your prescriptions fall within your plan's drug formulary tiers and ask your doctor for advice. Generic drugs are usually the lowest cost option. Generics are required by the Food and Drug Administration (FDA) to perform the same as brand-name drug equivalents.

To find out if a drug is on your plan's formulary, visit the plan's website or call the customer service number on your ID card.

FILLING YOUR PRESCRIPTIONS

PrudentRx - \$0 Out-of-Pocket Cost on Eligible Specialty Medications

JRT's medical plans include the PrudentRx solution for specialty medications to help you save money! All eligible employees will be automatically enrolled, but additional steps may be needed. This program is designed to lower your out-of-pocket costs by assisting you with enrollment in drug manufacturers' discount copay cards/assistance programs. Employees that participate in the PrudentRx solution will have a potential \$0 out-of-pocket cost for eligible prescriptions. PrudentRx's trained member advocates will reach out to eligible employees to confirm enrollment.

Please note: All prescriptions are subject to the deductible on the HDHP but with the PrudentRx program, your cost/coinsurance will be \$0/0% for eligible medications once you meet your deductible. For more information contact PrudentRx at 1-800-578-4403.

- General benefit questions
- Eligibility and coverage
- Finding a network provider
- Health care claim or billing issues, when warranted
- Coverage changes due to life events (marriage, new child, divorce, etc.)

Claims assistance

If you need claims assistance, you'll need to complete a HIPAA Authorization Form to grant your Benefit Advocate permission to work with your insurer and/or healthcare provider(s) to resolve your claims issues. Permission is granted on a limited time basis to only the individuals listed on the form. The form is revocable at any time. Your Benefit Advocate will provide the form to you when needed.

ALLIANT INDIVIDUAL HEALTH SOLUTIONS

Explore individual health insurance options for your spouse, children or other dependents, and see if you qualify for government subsidies.

Accessible, affordable alternatives for employees and dependents

Find coverage for you and your dependents, whether you're unable to afford your employer's health insurance plan or losing coverage. The friendly, knowledgeable licensed insurance agents at Alliant Individual Health Solutions (AIHS) can see if you or your dependents qualify for subsidies in the Affordable Care Act Marketplace, and they'll search for plans that fit your needs and budget.

With AIHS, affordable health insurance is within reach.

You may want to explore individual health insurance plan options if:

- Your income qualifies you or your dependents for ACA subsidies, which potentially make ACA plans more affordable than your employer-sponsored group plans
- Your spouse is under 65 (and not eligible for Medicare yet) and needs affordable insurance
- You or your dependents are not eligible for company benefits
- Your child is aging out of your company-sponsored group coverage (usually at 26) and needs an affordable plan
- These are just some of the scenarios that may make an individual health insurance plan a more-affordable choice for you or your dependents. Our licensed insurance agents can check if you qualify for subsidies, compare plans and help you enroll.

How does it work?

- Call Alliant Individual Health Solutions at **(877) 328-1195** to speak to a Licensed Insurance Agent or schedule an appointment and consultation using the following link: www.alliantindividualhealthsolutions.com

ALLIANT MEDICARE SOLUTIONS

Your Guide to Medicare

<https://alliantbenefits.cld.bz/norw-medicare-guide>

Deciding between your current employer plan, a Medicare health plan or having both is one of the most important decisions you'll make in retirement

Most people become eligible for Medicare at age 65. Did you know that you have a seven-month window to enroll, starting three months before you turn age 65 and ending three months after your birthday month? As an actively working employee covered under the employer plan you are eligible to delay enrollment. To learn more about your option view the "Guide to Medicare" through the link below.

Choosing a Medicare plan – and understanding how it can affect your employer-provided medical coverage – can be confusing. That's why we are offering resources to help you understand the different parts of Medicare, what is and isn't covered, and how to choose the best coverage for your situation.

Introducing Alliant Medicare Solutions

Alliant Medicare Solutions is a no cost service available to you, your family members, and friends nearing age 65 as well as those over 65 who have delayed enrollment.

How does it work?

1. You call Alliant Medicare Solutions (877) 203-2728 , to speak to a Licensed Insurance Agent (Alliant Medicare Solutions is managed by Insuractive).
2. You discuss with Alliant Medicare Solutions your existing insurance coverage and which Medicare plans might work the best for you.
3. You enroll by having Alliant Medicare Solutions help you enroll immediately or email policy materials for you to review and enroll at a later date.

VOLUNTARY PLANS

OUR VOLUNTARY PLANS

- PRINCIPAL SUPPLEMENTAL LIFE/AD&D
- COLONIAL LIFE VOLUNTARY WORKSITE BENEFITS

You're unique—and so are your benefit needs

Voluntary benefits are optional coverages that help you customize your benefits package to your individual needs.

JRT Mechanical Inc. offers plans to help:

- replace income if you're injured or ill
- bridge the gap for special healthcare needs

You pay the entire cost for these plans, but rates may be more affordable than individual coverage. And you get the added convenience of paying through payroll deduction.

Voluntary benefits are just that: voluntary. You have the freedom and flexibility to choose the benefits that make sense for you and your family. Or, you don't have to sign up for voluntary benefits at all. The choice is yours.

PRINCIPAL VOLUNTARY LIFE AND AD&D INSURANCE (Employee paid)

Voluntary Life and AD&D

Voluntary Life Insurance pays your beneficiary a lump sum if you die. AD&D (Accidental Death & Dismemberment) coverage provides a benefit to you if you suffer from loss of a limb, speech, sight, or hearing, or to your beneficiary if you have a fatal accident.

What is guaranteed Issue?

If you select coverage above a certain limit (the "guaranteed issue") or after your initial eligibility, you will need to provide additional information about your health status in order to qualify for the requested amount of coverage.

	BENEFIT OPTION	GUARANTEED ISSUE*
EMPLOYEE	\$10,000 increments; minimum of \$10,000 up to \$500,000 maximum	\$150,000 under age 70
SPOUSE/DP	\$5,000 increments; minimum of \$5,000 up to \$100,000 maximum	\$30,000 under age 70
CHILDREN	\$10,000	\$10,000 (under 14 days old: \$1,000)

You may be able to enroll for or increase your benefit and your dependent’s benefit two increments per year during your open enrollment period without providing health information.

If you have a qualifying life event (marriage, birth of a child, etc.), you may enroll or increase your benefit up to the guaranteed issue amount within 31 days without having to provide health information.

Make sure that you have named a beneficiary for your life insurance benefit and promptly update it in the event of any changes to your family or marital status changes.

WHAT ARE YOUR PLANS?

Many of us can't plan past the weekend, never mind thinking about a retirement nest egg. Our 401(k) retirement plan will help you set a retirement savings goal and stick to it.

The important thing is to start now and set aside what you can, even if you think it's too small an amount.

With compound interest, that "small amount" can grow over time. You'll be a retirement saver before you know it.

401(k) Retirement Savings Plan—up to \$23,500 per year (or more)

Our 401(k) Retirement Savings Plan helps you save for retirement. The plan offers tax savings NOW through pre-tax contributions. All regular employees ages 18 and over are eligible to join the plan.

Visit the Empower website at www.empowermyretirement.com to manage your account, investments and contributions.

Empower offers a variety of quality investment options. You'll also have access to special services such as automatic account rebalancing and personal investment assistance from a licensed investment counselor.

Maximum annual contribution limit	Up to \$23,500 per year. If you're age 65+ save an additional \$1,000 per year. IRS limits are evaluated annually and may change.

GLOSSARY

-A-

AD&D Insurance

An insurance plan that pays a benefit to you or your beneficiary if you suffer from loss of a limb, speech, sight, or hearing, or if you have a fatal accident.

Allowed Amount

The maximum amount your plan will pay for a covered healthcare service.

Ambulatory Surgery Center (ASC)

A healthcare facility that specializes in same-day surgical procedures such as cataracts, colonoscopies, upper GI endoscopy, orthopedic surgery, and more.

Annual Limit

A cap on the benefits your plan will pay in a year. Limits may be placed on particular services such as prescriptions or hospitalizations. Annual limits may be placed on the dollar amount of covered services or on the number of visits that will be covered for a particular service. After an annual limit is reached, you must pay all associated health care costs for the rest of the plan year.

-B-

Balance Billing

In-network providers are not allowed to bill you for more than the plan's allowable charge, but out-of-network providers are. This is called balance billing. For example, if the provider's fee is \$100 but the plan's allowable charge is only \$70, an out-of-network provider may bill YOU for the \$30 difference (the balance).

Beneficiary

The person (or persons) that you name to be paid a benefit should you die. Beneficiaries are requested for life, AD&D, and retirement plans. You must name your beneficiary in advance.

Brand Name Drug

A drug sold under its trademarked name. For example, Lipitor is the brand name of a common cholesterol medicine.

-C-

COBRA

A federal law that may allow you to temporarily continue healthcare coverage after your employment ends, based on certain qualifying events. If you elect COBRA (Consolidated Omnibus Budget Reconciliation Act)

coverage, you pay 100% of the premiums, including any share your employer used to pay, plus a small administrative fee.

Claim

A request for payment that you or your health care provider submits to your healthcare plan after you receive services that may be covered.

Coinsurance

Your share of the cost of a healthcare visit or service. Coinsurance is expressed as a percentage and always adds up to 100%. For example, if the plan pays 70%, your coinsurance responsibility is 30% of the cost. If your plan has a deductible, you pay 100% of the cost until you meet your deductible amount.

Copayment

A flat fee you pay for some healthcare services, for example, a doctor's office visit. You pay the copayment (sometimes called a copay) at the time you receive care. In most cases, copays do not count toward the deductible.

-D-

Deductible

The amount of healthcare expenses you have to pay for with your own money before your health plan will pay. The deductible does not apply to preventive care and certain other services.

Family coverage may have an **aggregate** or **embedded** deductible. Aggregate means your family must meet the entire family deductible before any individual expenses are covered. Embedded means the plan begins to make payments for an individual member as soon as they reach their individual deductible.

Dental Basic Services

Services such as fillings, routine extractions and some oral surgery procedures.

Dental Diagnostic & Preventive

Generally includes routine cleanings, oral exams, x-rays, and fluoride treatments.

Most plans limit preventive exams and cleanings to two times a year.

Dental Major Services

Complex or restorative dental work

such as crowns, bridges, dentures, inlays and onlays.

-E-

Eligible Expense

A service or product that is covered by your plan. Your plan will not cover any of the cost if the expense is not eligible.

Excluded Service

A service that your health plan doesn't pay for or cover.

-F-

Formulary

A list of prescription drugs covered by your medical plan or prescription drug plan. Also called a drug list.

-G-

Generic Drug

A drug that has the same active ingredients as a brand name drug, but is sold under a different name. For example, Atorvastatin is the generic name for medicines with the same formula as Lipitor.

Grandfathered

A medical plan that is exempt from certain provisions of the Affordable Care Act (ACA).

-H-

Health Reimbursement Account (HRA)

An account funded by an employer that reimburses employees, tax-free, for qualified medical expenses up to a maximum amount per year. Sometimes called Health Reimbursement Arrangements.

Healthcare Flexible Spending Account (FSA)

A health account through your employer that lets you pay for many out-of-pocket medical expenses with tax-free dollars. Eligible expenses include insurance copayments and deductibles, qualified prescription drugs, insulin, and medical devices, and some over-the-counter items.

High Deductible Health Plan (HDHP)

A medical plan with a higher deductible than a traditional insurance plan. The monthly premium is usually lower, but you pay more health care costs (the deductible) before the insurance company starts to pay its share. A high deductible plan (HDHP) may make you eligible for a health savings account (HSA) that allows you to pay for certain medical expenses with money free from federal taxes.

GLOSSARY

-I-

In-Network

In-network providers and services contract with your healthcare plan and will usually be the lowest cost option. Check your plan's website to find doctors, hospitals, labs, and pharmacies. Out-of-network services will cost more or may not be covered.

-L-

Life Insurance

An insurance plan that pays your beneficiary a lump sum if you die.

Long Term Disability Insurance

Insurance that replaces a portion of your income if you are unable to work due to a debilitating illness, serious injury, or mental disorder. Long term disability generally starts after a 90-day waiting period.

-M-

Mail Order

A feature of a medical or prescription drug plan where medicines you take routinely can be delivered by mail in a 90-day supply.

-O-

Open Enrollment

The time of year when you can change the benefit plans you are enrolled in and the dependents you cover. Open enrollment is held one time each year. Outside of open enrollment, you can only make changes if you have certain events in your life, like getting married or adding a new baby or child in the family.

Out-of-Network

Out-of-network providers (doctors, hospitals, labs, etc.) cost you more because they are not contracted with your plan and are not obligated to limit their maximum fees. Some plans, such as HMOs and EPOs, do not cover out-of-network services at all.

Out-of-Pocket Cost

A healthcare expense you are responsible for paying with your own money, whether from your bank account, credit card, or from a health account such as an HSA, FSA or HRA.

Out-of-Pocket Maximum

Protects you from big medical bills. Once costs "out of your own pocket" reach this amount, the plan pays 100% of most remaining eligible expenses for the rest of the plan year.

Family coverage may have an *aggregate* or *embedded* maximum. Aggregate means your family must meet the entire family out-of-pocket maximum before the plan pays 100% for any member. Embedded means the plan will cover 100% for an individual member as soon as they reach their individual maximum.

Outpatient Care

Care from a hospital that doesn't require you to stay overnight.

-P-

Participating Pharmacy

A pharmacy that contracts with your medical or drug plan and will usually result in the lowest cost for prescription medications.

Plan Year

A 12-month period of benefits coverage. The 12-month period may or may not be the same as the calendar year.

Preferred Drug

Each health plan has a preferred drug list that includes prescription medicines based on an evaluation of effectiveness and cost. Another name for this list is a "formulary." The plan may charge more for non-preferred drugs or for brand name drugs that have generic versions. Drugs that are not on the preferred drug list may not be covered.

Preventive Care Services

Routine healthcare visits that may include screenings, tests, check-ups, immunizations, and patient counseling to prevent illnesses, disease, or other health problems. Many preventive care services are fully covered. Check with your health plan in advance if you have questions about whether a preventive service is covered.

Primary Care Provider (PCP)

The main doctor you consult for healthcare issues. Some medical plans require members to name a specific doctor as their PCP, and require care and referrals to be directed or approved by that provider.

-S-

Short Term Disability Insurance

Insurance that replaces a portion of your income if you are temporarily unable to work due to surgery and recovery time, a prolonged illness or injury, or pregnancy issues and childbirth recovery.

-T-

Telehealth / Telemedicine / Teledoc

A virtual visit to a doctor using video chat on a computer, tablet or smartphone. Telehealth visits can be used for many common, non-serious illnesses and injuries and are available 24/7. Many health plans and medical groups provide telehealth services at no cost or for much less than an office visit.

-U-

UCR (Usual, Customary, and Reasonable)

The amount paid for a medical service in a geographic area based on what providers in the area usually charge for the same or similar medical service. The UCR amount sometimes is used to determine the allowed amount.

Urgent Care

Care for an illness, injury or condition serious enough that care is needed right away, but not so severe it requires emergency room care. Treatment at an urgent care center generally costs much less than an emergency room visit.

-V-

Vaccinations

Treatment to prevent common illnesses such as flu, pneumonia, measles, polio, meningitis, shingles, and other diseases. Also called immunizations.

Voluntary Benefit

An optional benefit plan offered by your employer for which you pay the entire premium, usually through payroll deduction.

IMPORTANT PLAN INFORMATION

HEALTH PLAN NOTICES

These notices must be provided to plan participants on an annual basis and are available in the accompanying Annual Notices document.

- **Medicare Part D Notice:** Describes options to access prescription drug coverage for Medicare eligible individuals
- **Women's Health and Cancer Rights Act:** Describes benefits available to those that will or have undergone a mastectomy
- **Newborns' and Mothers' Health Protection Act:** Describes the rights of mother and newborn to stay in the hospital 48-96 hours after delivery
- **HIPAA Notice of Special Enrollment Rights:** Describes when you can enroll yourself and/or dependents in health coverage outside of open enrollment
- **HIPAA Notice of Privacy Practices:** Describes how health information about you may be used and disclosed
- **Premium Assistance Under Medicaid and the Children's Health Insurance Program (CHIP):** Describes availability of premium assistance for Medicaid eligible dependents.

COBRA CONTINUATION COVERAGE

You and/or your dependents may have the right to continue coverage after you lose eligibility under the terms of our health plan. Upon enrollment, you and your dependents receive a COBRA Initial Notice that outlines the circumstances under which continued coverage is available and your obligations to notify the plan when you or your dependents experience a qualifying event. Please review this notice carefully to make sure you understand your rights and obligations.

PLAN DOCUMENTS

Important documents for our health plan and retirement plan are available accompanying Annual Notices document. Paper copies of these documents and notices are available if requested. If you would like a paper copy, please contact the Plan Administrator.

SUMMARY PLAN DESCRIPTIONS (SPD)

The legal document for describing benefits provided under the plan as well as plan rights and obligations to participants and beneficiaries.

SUMMARY OF BENEFITS AND COVERAGE (SBC)

A document required by the Affordable Care Act (ACA) that presents benefit plan features in a standardized format.

STATEMENT OF MATERIAL MODIFICATIONS

This enrollment guide constitutes a Summary of Material Modifications (SMM) to the JRT Mechanical Inc. Health Plan. It is meant to supplement and/or replace certain information in the SPD, so retain it for future reference along with your SPD. Please share these materials with your covered family members.

DETERMINING ELIGIBILITY

LOOK-BACK MEASUREMENT METHOD

The information below explains how your eligibility for healthcare coverage is determined, in accordance with the rules of the Affordable Care Act (ACA).

Under the ACA, employers are required to report specific benefits information to IRS on “full-time” employees as defined by the ACA. A “full-time” employee is generally an employee whose works on average 130 hours per month. ACA full-time status can affect or determine major medical benefits eligibility but is not a guarantee of benefits eligibility. JRT Mechanical Inc. uses the look-back measurement method to determine group health plan eligibility.

NEW EMPLOYEES HIRED TO WORK FULL-TIME: If you are hired as a new full-time employee (work on average 130 or more hours a month), you and your dependents are generally eligible for group health plan coverage as of the first of the month following 30 days of employment.

NEW EMPLOYEES HIRED TO WORK A PART-TIME, VARIABLE HOUR OR SEASONAL SCHEDULE: If you are hired into a part-time position, a position where your hours vary and JRT Mechanical Inc. is unable to determine — as of your date of hire — whether you will be a full-time employee, or you are hired as a seasonal employee who will work for six (6) consecutive months or less (regardless of monthly hours worked), you will be placed in an initial measurement period (IMP) of April 1 through March 31. Your IMP will begin on April 1. If, during your IMP, you average 130 or more hours a month, you will become full-time and, if otherwise eligible for benefits, you will be offered coverage as of the first of the month following this date. Your full-time status will remain in effect during an associated stability period that will last 180 days. If your employment is terminated during that stability period, and you were enrolled in benefits, you will be offered coverage under COBRA.

ONGOING EMPLOYEES: An ongoing employee is an individual who has been employed for an entire standard measurement period. A standard measurement period is the 180 day period during which JRT Mechanical Inc. counts employee hours to determine which employees work full-time. Those employees who average 130 or more hours a month over the standard measurement period will be deemed full time and, if otherwise eligible for benefits, offered coverage as of the first day of the stability period associated with the standard measurement period. Full-time status will be in effect during an associated stability period for 180 days. If your employment is terminated during a stability period, and you were enrolled in benefits, you will be offered continued coverage under COBRA.

JRT Mechanical Inc. uses the standard measurement period and associated stability period annual cycle set forth below:

MEASUREMENT PERIOD: STARTS: April 1. DURATION: March 31. Time to determine if you work 130+ hours per month on average – used to establish if you are “full-time” or “part-time” for medical eligibility.

STABILITY PERIOD: STARTS: April 1. DURATION: March 31. Time during which you will be considered “full-time” or “part-time” for medical plan eligibility - based on hours worked during preceding Measurement Period.
