## Success Stories!

Here's some feedback from our JRT employees so far from using the Smart Dollar Program.

"Budgeting is much easier since following the program. We have already started paying off debt and managing our money better. Smart dollar is easy to use and flexible to any lifestyle. So far, the process has been great, and I hope that we can stick with it for a long time! The best advice I can give is to start the program as soon as possible! :)"

-Ryan and Kara Bergmann

"It's only been 2 weeks since we started it! So far, we really like it! Very easy to use & so nice to have on hand to keep track of everything! Thank you so very much for this opportunity to get on the right track!!"
