

Crystal Ochoa

I have been working almost 2 years as the Accounts Payable Manager here at JRT Mechanical. My work day consists of entering job billings, cutting checks and shooting Caroline with a Nerf gun! (One of the biggest surprises when I started working here was the fun atmosphere!)

I was born in Vancouver WA and have lived here my entire life aside from my 2 years in Honolulu Hawaii, when my husband Aaron was stationed there. One of my favorite things about living in Hawaii was taking the kids to the beach and the worst thing was that I'm Irish so the sun and I don't get along.

Aaron and I met in high school and have been married for 10 years. Our family consists of Aaron, myself and our two boys. Gabriel is 8 years old and Christian is 6. I have 2 older brothers, Branden and Keith. We also have one cat that came from JRT which we named after Autumn Burton! Aaron has done 1 deployment to Kuwait back in 2015 and has another deployment to Iraq coming up in the winter of 2020.

I'm happiest when my family is all together, my husband has been in the United States Army for the last 15 years and is away on orders somewhat often so we value time when we are all together. He is now a captain and is getting his unit ready for a 1 year overseas deployment.

One of my favorite ways to spend the weekend is watching my boys play outside while I drink coffee! Coffee drinking is also one of my hobbies along with cooking and baking! For fun I like to wander the isles of Target. If I had one place in the world to visit, it would be New York City. Also one of the things on my bucket list is renting an RV and taking the kids across the country.

Thank you Crystal and thank you Aaron for your service!
