

## Christian Weber

Christian was born in Oregon City & moved to Yacolt when him and his twin brother Conner were 6. He also has a younger brother who is in the Army and stationed at Fort Bliss in El Paso Texas and a little sister who is a sophomore at Battle Ground High School. Christian has been married to his best friend & wife Glo-riann for 8.5 years & they have 6 children, Tyson, Mariah, Kandice, Melanie, Olivia & Dillon.

Christian, whom his friends & family would describe as happy, easy going and hard working has been working at JRT as a plumber for 9 years & also has training in med gas, turbo leadership & a bit in HVAC. Christian along with Conner, started off working for their dad's company cleaning up his jobs & packing studs to the houses he was framing. He then got into concrete and structural renovation for about 2 years before starting the best job anyone could ever ask for...plumbing at JRT!

When asked about a typical work day Christian said he's up at 4:42am, uses the bathroom & brushes his teeth. He then gets dressed and ready for work before telling the kids he loves them and grabbing his lunch box & breakfast. Kisses his wife goodbye and heads to the shop to carpool with a few guys. Once he's at work he gets everyone lined out for the day and then tries to keep up with the young guys. Once the day is over they head home where he eats dinner, plays with the kids before putting them to bed and visits his wife before heading to bed himself.

When asked what he enjoys most about work, he replied "production." He likes trying new idea's as long as it works, they can be a little nerve racking until you know it's working! When it all comes together & beats your expectations it's really exciting & satisfying!

Outside of work Christian enjoys spending time with his family,, helping his wife with the kids and cooking. He enjoys going on beach trips, riding dirt bikes and working on projects around the house.

They don't have pets besides the squirrels & birds in their back-yard that they don't have to feed but the kids love to watch them walking across the fence for food & leaves!
